BEACHCOMBER ISLAND RESORT

We all know that the real reason you come to Beachcomber is to have the time of your life! The original party island where every day is Friday, the bar is open late, the band is playing and everyone is on the dance floor - of course it's the beach so barefoot is the way to go. But it's not just about the parties - Beachcomber's fantastic reputation is also because of the great atmosphere, the fantastic meals, the white sandy beach, crystal clear waters and loads of activities. Evening meals are a feature with themed buffets each night. Work up an appetite with the evening volleyball game. By day you can laze on the beach or get active - the choice is yours.
